

ATTENTION DAYTON RESIDENTS

**YOUR
NEW TRASH
CART ARRIVES
IN JULY!**

Flip over for more details.

Your Curbside Collection Just Got Easier

Beginning Monday, July 22, your residential curbside trash will be picked up by an automated side-load truck.

Residents will no longer have to provide their own bins. All trash must be inside of the cart with the lid closed.

We will no longer collect any material left outside of the cart.

During the week of July 15, you will receive a new 96-gallon wheeled cart that will be specific to your address and are included with your service. There is no need to be home to receive your cart. Carts will include additional instructions for placement as well as a calendar and frequently asked questions.
