

2024-2025 CURBSIDE COLLECTION CALENDAR

Your pickup day is either Tuesday, Wednesday, or Thursday. Your pickup schedule may have changed. See new collection schedule on the reverse.

QUESTIONS?
Call 207-518-8653 or visit casella.com/northyarmouth-me or scan the QR code using your smart phone >>

FREQUENTLY ASKED QUESTIONS

Who or what is Casella?

The Town contracts with Casella, previously known as Pine Tree Waste, for curbside trash and recycling collection.

Do I have to use the new carts provided by the Town of North Yarmouth?

Yes. The new automated collection system cannot accommodate other bins or carts.

Which cart is for trash, and which is for recycling?

The cart with the black lid is for trash. The cart with the blue lid is for recycling.

Where do I place my carts?

Carts must be placed curbside with wheels toward the house/curb, 3 feet apart from each other or other objects, and 4 feet of clearance above (see diagram in packet).

Do I still have to purchase and use orange town trash bags?

Yes. Trash will only be collected if it is in North Yarmouth orange trash bags placed inside the cart.

What should I do with overflow trash or recycling that does not fit in my cart?

Items placed beside the carts will no longer be collected. Please see the Resources panel located in this packet for more info on where to take overflow material.

When should I start using these carts?

Begin using the new carts immediately on your next regularly scheduled collection day.

Will my collection day change?

It is possible your collection day will change. Look for information in this packet alerting you to your assigned collection day.

Where can I find more information about trash collection and recycling?

Use your smart phone to scan the QR code in this brochure for more information, download the Casella App or visit: northyarmouth.org

CURBSIDE CART PLACEMENT GUIDE AND INFORMATION

Place cart at the curb the night before pickup day

CART DON'TS

Cart must remain upright for pickup

Keep all materials inside the cart

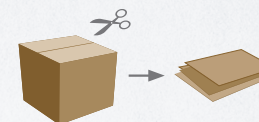

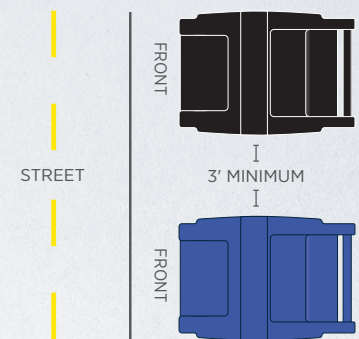

Do not place cart back to back

Keep cart clear of all obstructions

Put cart on a hard, level surface clear of obstructions such as snow, landscaping, mailboxes, and utility poles. Do not block the sidewalk.

PROPER CART PLACEMENT

CARDBOARD HANDLING
Breakdown cardboard so it fits into the cart with the lid closed. Cut oversized material into 2' x 2' squares.

WINTER CART INFORMATION

For safety reasons, Casella only services roads that have been plowed and treated appropriately. If you live on a private road, **please ensure the road is plowed and treated prior to 7:00 AM.**

Casella's drivers work long hours to serve hundreds of customers. Please be patient and avoid calling in a missed collection before 3:00 PM. **Winter weather can cause delays**, resulting in the truck being in any given area later than normal.

Keep cart lids closed to prevent water from entering and freezing at the bottom. Store carts indoors or covered if you can.

Avoid placing your carts in the street when there is a winter storm. This creates a hazard to vehicles, including the towns plow trucks.

If there is snow on the ground, dig out a spot for your cart where it is typically placed. **Avoid placing your cart on snow piles.** Melting or shifting snow could cause the carts to fall over and spill out their contents. The uneven ground will make it difficult for the truck to set the carts back down.

Town of North Yarmouth, ME

A Guide to Your Recycling & Trash Service

COLLECTION INFORMATION:

- Trash and recycling collection occurs weekly on your scheduled day, either Tuesday, Wednesday, or Thursday.
- Begin using your carts immediately upon receipt for your next scheduled collection day.
- Residents will no longer have to provide their own bins and instead use the Town provided carts. We will no longer collect any material left outside of the carts. All orange Town trash bags and recycling must be inside of the cart with the lid closed.

ESTABLISHED 1975

BULKY WASTE DISPOSAL

North Yarmouth residents may take bulky waste items (furniture-appliances-shingles) to the following locations:

FREEPORT RECYCLING

Location: 1010 Hedgehog Mountain Road Freeport, ME 04032

Hours: Wed, Thurs, and Fri, 8:00 AM to 4:00 PM
Saturday, 9:00 AM to 4:00 PM
Closed Sunday, Monday, and Tuesday

Fees: Please visit their website at: freeportmaine.com/recycling-facility

RIVERSIDE RECYCLING

Location: 910 Riverside Street Portland, ME 04103

Hours: Monday to Saturday 7:30 AM to 3:30 PM
Closed Sunday

Fees: Please visit their website at: riversiderecycles.com

FOOD WASTE WITH GARBAGE TO GARDEN

There is a Garbage to Garden Compost Kiosk located conveniently at 10 Village Square near the entrance to the Town Office. There is no fee for residents to bring their food waste to this location.

TEXTILE RECYCLING WITH APPERAL IMPACT

An apparel impact recycling bin is located at the entrance to the North Yarmouth Municipal Offices at 10 Village Square Road. Accepted items include clothing, footwear, accessories, and linens. Items DO NOT need to be in wearable condition, but must be dry and contain no odor or mold. For more information, visit apparelimpact.com

CASELLA APP FOR RESIDENTS

Casella has developed an App for residents called **Recycle Better with Casella** to help make your service easier. Download today!
