Your Curbside Collection Just Got Easier

ESTABLISHED 1975

31 Freedom Parkway
Hermon, ME 04401

Beginning the week of October 14th, your residential curbside trash will be picked up by an automated side-load truck. Your collection day **is not changing**.

Residents will no longer have to provide their own bins. All trash must be inside of the cart with the lid closed. **We will no longer collect any material left outside the cart.**

Prior to the start date, you will receive a new 96-gallon wheeled cart that will be specific to your address. There is no need to be home to receive your cart. Carts will include additional instructions for placement as well as a calendar and frequently asked questions.
